Access Fox One

1. Create an account with watchTVEverywhere. You can do this at www.hky.com (scroll down and click “watchTVEverywhere”). You will be asked for your account number. This can be found on your bill.

2. Once you have created an account, you can download the Fox One app to your TV or devices and log on. Please note that older TV models may not support the Fox One app. If asked for your TV Provider, choose “Hickory Telephone Company”.

A black rectangular banner with white and yellow text. At the top, 'FOX ONE' is in large white letters, followed by 'NOW INCLUDED.' in even larger white letters. Below this, smaller white text reads: 'Your TV subscription now includes FOX ONE at no additional cost. Stream everything FOX in one place.' A yellow button with the text 'LEARN MORE' is on the left. The Aurora by HickoryTel logo is on the right. At the bottom, in very small white text, it says: 'FOX One included with qualifying plans. This may not replace any existing subscriptions; those must be managed separately. Services subject to applicable terms and conditions.'
