Just \$77 / mo

TV Lite Bundle

- Aurora TV Lite
 - Our lowest-cost option! For a low rate, you'll receive a unique mix of over 500 channels!
- 200 Mbps High Speed Internet

New!

Aurora TV Lite is an Over-The-Top (OTT) Internet streaming service. Aurora TV Lite does not include local channels. This allows us to keep the price low! You can access all local channels for free using an antenna. Visit www.hky.com or call 724-356-2211 for complete lineup and details.

Call Before You Dig

- One easy phone call to 8-1-1, three to ten business days before digging helps keep your neighborhood safe.
- Call on Monday or Tuesday if you plan to dig on Saturday or Sunday.
- All utility companies will mark where their underground lines are located with colored paint, flags, or chalk.
- This service is no cost to homeowners.

E-Bill

View invoices and account balances online, as well as pay your bill. Visit www.hky.com to enroll.

Refer A Neighbor

Refer someone to Aurora from Hickory Telephone Company and have them write your name on our “Service Selection” sheet upon installation. You will receive **\$50 off** your next bill.

One account may accrue up to 10 credits over the course of subscribership. After 10 referrals have been reached, a \$50 donation will be made to the school district in which that subscriber resides for each additional referral.
