National Do Not Call Registry

Has your evening or weekend been disrupted by a call from a telemarketer? You can reduce the number of unwanted phone calls to your home by registering your phone number on the National Do Not Call Registry. The Federal Communications Commission (FCC) and the Federal Trade Commission (FTC) enforce the National Do Not Call Registry and registration is free.

The federal rule mirrors Pennsylvania's existing law in terms of who can and cannot call you. If you are enrolled on Pennsylvania's Do Not Call List, you are protected from unwanted telemarketing calls and you do not need to re-register.

Persons or entities making telephone solicitation calls to others must be aware of and in compliance with the National Do Not Call Registry requirements as set forth at 47 C.F.R. Section 64.1200 and 16 C.F. R. Part 310. For more information, or to register or revoke registrations on the list, call toll-free at 1-888-382-1222 (TTY 1-866-290-4236) from the number you wish to register or you can register online at www.donotcall.gov.
